

# From Engineering to Installation ... NOBODY BEATS A CLEEREMAN!

I've done business with Cleereman since my father bought his first head saw from them in the late 1970's. After the fire, it was a foregone conclusion we would turn to Cleereman to rebuild the mill. We had no reason to think anything else.

- Robert Coblentz, Owner,  
Winesburg Hardwood & Pallet Co.

The Cleereman Lumber Pro Thin Kerf Band Mill... In High Demand and Still Exceeding Industry Expectations.
